

January 2021

Subject: Invitation to a Renovation – Liechty Hall (Girls dormitory)

Dear Pastor, Work Group Leader, RV Volunteer and Friend of Trinity,

Trinity is hosting an **Invitation to a Renovation of Liechty Hall** girl's dormitory this summer 2021. Liechty Hall has served generations of students as our girl's dorm, but it is in need of a major facelift.

The best news is that generous donors have made possible this complete renovation – bathroom furnishings (vanity, commode, shower, flooring), carpet, paint, and bedroom furnishings! **It is completely funded!**

We need your help! Would you consider pulling together a work team and join us this summer for a week or a weekend? We need all sorts of skill-sets – demolition, sheetrock, painters, finish carpentry, plumbing, furniture assembly, and clean-up crews. There is something for everyone!

Our points of contact for getting more information include:

- Project Supervisor: Mike Fergel, mfergel@trinitybiblecollege.edu / 701-535-0395
- Group Liaison: Bryan Jacobson, bjacobson@trinitybiblecollege.edu / 701-535-1147

We have compiled an information sheet for teams that includes a scope of work and other planning considerations. Additionally, we have a short video available to show your congregation or team. **Please contact our Group Liaison, Bryan Jacobson, initially, for access to this information and to learn more.**

Work teams make possible the mission of Trinity Bible College and Graduate School to train and educate people with theological reflection and missional passion in order that people and communities everywhere hear the good news of Jesus and see his love demonstrated.

See you this summer!

Paul R. Alexander, Ph.D.
President
